Heavenly Valley Lodge

Bed & Breakfast

530-564-1500
www.HeavenlyValleyLodge.com

The Heavenly Valley Lodge Bed & Breakfast is a quiet, Tahoe-Style property located at 1261 Ski Run Blvd just below the world-famous Heavenly Ski slopes, and only a 1/2 mile down to the shores of Lake Tahoe. Managed by the owners, our goal is to make this a unique, wonderful and relaxing experience for our guests. We invite you to experience a Lake Tahoe stay like no other.

The property is on a wooded acre and is very spacious and quiet. We have 12 lovely cabin style suites with unique river rock fireplaces, ceiling fans, private bathrooms, and separate entrances. All of our suites offer a kitchenette with microwave, coffee maker, toaster and refrigerator, as well as TV and hi-speed WIFI. We also manage two Vacation Rental Homes nearby. Please call us to book these.

Enjoy a wonderful home-cooked complimentary breakfast in the Lodge each morning before you start your day. End your evening sitting on one of our patios, or around our open fire pit while enjoying Happy Hour with the other guests.

All of our rooms are kept meticulously clean! We have 5 rooms that are dog-friendly.

Lake Tahoe has so much to offer and is also a great home base for skiing, boating, fishing, hiking, biking or just to relax in a beautiful serene location. It is also close to neighboring hotspots such as San Francisco, Yosemite, Napa Valley, Sonoma, and other Northern California locations.

There are several great restaurants within walking distance as well as convenient locations to rent ski equipment and other amenities. The Casinos and great shopping at Heavenly Village are just over a mile away. In winter, Heavenly Ski Resort shuttle picks up guests right in front of the property and takes you to the ski lifts! Avoid long lines and buy your lift tickets here!

Please visit our web site. The site offers a great slide show to give you an easy snapshot of everything our property and South Lake Tahoe offers. We will be updating it to keep you abreast of upcoming events.
